COVID-19 NOTICE

Palliser Regional Municipal Services Co. Ltd. and COVID-19

Alternate Office Communication Strategy

October 1, 2020

With the recent development surrounding the spread of the COVID-19 virus in Alberta, Palliser Regional Municipal Services will be taking precautionary measures in order to minimize the risk to our employees and customers.

Palliser Regional Municipal Services recently reviewed our Business Continuity Plan in consideration of the COVID 19 pandemic and we have determined that while the services provided by our organization can continue to be offered and our level of service will not change, in order to ensure the safety of our employees, customers and municipal shareholders, we have chosen to be cautious and will provide planning services through remote access via email, telephone and other electronic forms of communication.

We are still conducting business and ask the public to please call the office at 403-854-3371 for assistance or contact our employees directly;

ddiano@palliserservices.ca – CEO, Devin Diano

kbott@palliserservices.ca – Executive Assistant, Kari Bott

gwilson@palliserservices.ca – Subdivision Planner, Garry Wilson

lhayworth@palliserservices.ca – Planner I, Levi Hayworth

afoster@palliserservices.ca - Planner I, Ashley Foster

sjalal@palliserservices.ca - Planner I, Shahira Jalal

cdmcnair@palliserservices.ca – GIS Coordinator, Cody Dale-McNair

Palliser Regional Municipal Services will evaluate and monitor the situation as it unfolds while striving to ensure the health and well-being of our employees, customers and shareholders during this time of uncertainty.

Devin Diano

PRMS CEO
